

Havis Docking Solution for Getac RX10 Rugged Tablet

Getac

DS-GTC-500 Series Getac RX10 Rugged Tablet

The Havis Docking Station for the Getac RX10 rugged tablet improves mobile worker productivity by providing a secure location for tablet charging and connection to essential peripherals, such as printers, keyboards and barcode scanners.

With the DS-GTC-500 Series Docking Stations, fleet managers can seamlessly integrate the Getac RX10 rugged tablet into their workforce to enhance productivity without sacrificing quality, safety or longevity.
