TSP650II

In continuing with its *Always-Leading-Always Innovative* corporate philosophy, Star Micronics America is proud to announce the release of its latest thermal printer, the TSP650II, which is replacing the TSP650.

Updated to exceed and further enhance one of Star's most popular printers, the TSP650II boasts a lightning fast print speed of 60RPM (receipts per minute) (300mm/second). The TSP650II also features an improved Guillotine Cutter, easy "drop in and print" paper loading and a small footprint.

The TSP650II ships with Installation CD (printer driver/ manuals), setup guide, wall mount bracket, vertical mount pads, 58mm paper guide, power switch cover and start-up paper roll. In addition, the TSP650II comes with Star's 3-year Limited Warranty.
