**RUGGED ALL-TOUCH  
ANDROID COMPUTER**

A robust accessory  
family to tailor the  
TC70 to meet  
any enterprise.

The comprehensive family of accessories includes a snap-on magnetic stripe reader for mobile payment, a holster, a hand strap, a snap-on trigger handle and more, allowing you to easily tailor the TC70 to meet the needs of many different types of users performing many different types of tasks. And multi-slot battery chargers and the unique ShareCradle — a multi-slot and 2-slot cradle system that can accommodate charge-only or data needs for the TC70 and future Motorola mobile computers — make backroom management easy and cost effective.

## ShareCradle System

The ShareCradle System shares the same set of terminal and terminal spare battery “cups” across of suite of charge-only and communication bases, providing flexible and future proofed solutions in 5-slot and 2-slot configurations. All of the 2-slot and 5-slot ShareCradles can charge the TC70 with the hand strap and stylus attached. In addition, the 2-slot and 5-slot charge-only ShareCradles can charge the TC70 with snap-on accessories attached — including the magnetic stripe reader and trigger handle — making device charging easier than ever. (The 2- Slot USB/Ethernet and 5-Slot Ethernet Cradles will not support any Snap-On accessories).

### 2-SLOT CRADLES
